| Important Questions  | Answers   | Why this Matters:  |
|--|---|--|
| <b>What is the overall deductible?</b>                             | <b>\$500</b> individual   | Generally, you must pay all of the costs from <b>providers</b> up to the <b>deductible</b> amount before this <b>plan</b> begins to pay.   |
| <b>Are there services covered before you meet your deductible?</b> | Yes. <b>Preventive care</b> , outpatient pre-admission tests, and certain diabetic supplies under the Plan's <b>prescription drug</b> benefit are covered before you meet your <b>deductible</b> .  | This <b>plan</b> covers some items and services even if you haven't yet met the <b>deductible</b> amount. But a <b>copayment</b> or <b>co-insurance</b> may apply. For example, this <b>plan</b> covers certain <b>preventive services</b> without <b>cost-sharing</b> and before you meet your <b>deductible</b> . See a list of covered <b>preventive services</b> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                    |
| <b>Are there other deductibles for specific services?</b>          | Yes. <b>\$500</b> per non-Emergency admission to <b>out-of-network providers</b> and <b>\$250</b> per person for <b>prescription drug coverage</b> . There are no other specific <b>deductibles</b> .   | You must pay all of the costs for these services up to the specific <b>deductible</b> amount before this <b>plan</b> begins to pay for these services.   |
| <b>What is the out-of-pocket limit for this plan?</b>              | For major medical <b>network providers</b> :<br><b>\$2,500</b> individual; <b>\$5,000</b> family;<br>For <b>prescription drug coverage</b> :<br><b>\$6,050</b> individual; <b>\$12,100</b> family;<br>For <b>out-of-network providers</b> , an additional<br><b>\$1,000</b> individual; <b>\$2,000</b> family | The <b>out-of-pocket limit</b> is the most you could pay in a year for covered services. If you have other family members in this <b>plan</b> , they have to meet their own out-of-pocket limits until the overall family <b>out-of-pocket limit</b> has been met.   |
| <b>What is not included in the out-of-pocket limit?</b>            | <b>Premiums</b> , <b>balance-billing</b> charges, health care this <b>plan</b> doesn't cover.   | Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .   |
| <b>Will you pay less if you use a network provider?</b>            | Yes. See <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call 1-800-810-2583 for a list of <b>network providers</b> .   | This <b>plan</b> uses a <b>provider network</b> . You will pay less if you use a <b>provider</b> in the <b>plan's network</b> . You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the provider's charge and what your <b>plan</b> pays ( <b>balance billing</b> ). Be aware, your <b>network provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services. |
| <b>Do you need a referral to see a specialist?</b>                 | No.   | You can see the <b>specialist</b> you choose without a <b>referral</b> .   |
